

AI Usage Declaration Form

Course: MSIM 715

Assignment Title: Pre-Proposal

Student Name: Liam Whitenack

Date Submitted: 10/09/2025

Section 1 — Declaration of AI Use

I did use generative AI tools in completing this assignment, and I have documented all such use in Section 2.

Section 2 — Details of AI Use (Required if AI was used)

AI Tool Name & Version	Prompts / Questions Used	Type of Output Received	How Output Was Used or Modified
ChatGPT 5	How to use two kinds of parallelization in an Azul simulation	Conceptual explanation and implementation plan	Used the explanation to design a hybrid parallelism approach combining agent-based and task-based methods.
ChatGPT 5	Can you explain what "kinds of parallelism" means? What is CUDA?	Educational explanation	Used to better understand types of parallel computing for a course project.

Section 3 — Student Acknowledgment

I understand that:

- I am responsible for ensuring that all work submitted is my own and that I fully understand any AI-assisted content included.
- All AI usage must be appropriately documented and substantially modified to reflect my own work.
- Misrepresenting AI-generated work as entirely my own without disclosure may be considered a violation of academic integrity.

Instructions to Students

1. Complete this form for every assignment.
2. If you used AI only for brainstorming or debugging, still disclose it.
3. Attach the form to your submission in Word or PDF format.
